

2016 Gargoyle Athletics Winter Lacrosse Classic

Official Rules

* There will be a coaches meeting, before each division, 15 minutes before the first scheduled game at the score table to allow officials, tournament director, and coaches the opportunity to go over rules so we are all on the same page.

Game Format & Rules

- 25 minute running time games
- 7 players on the field - 2 attack, 2 defense, 2 middies, goalie
- No more than 2 long poles on field at any time
- Face-offs to start each game.
- Only one wing man on face-offs/wing man on face-off may come off of either side.

Attack & Defense must start at GLE.

- One 1-minute timeout per game – clock does not stop. No time-outs may be taken inside of the last two minutes of either half.
- All substitutions on the fly.
- Controlled clear (on official's whistle) after each goal scored.
- No time serving penalties; all penalties which would be time serving will result in a structured fast break from midfield. Attack/Defense at GLE. Players who commits penalty must come off field for possession.
- **No hitting at any level!** This must be adhered too. This is a fun indoor tournament.
- Game time will be centralized for all four games. Single horn will start and stop play at beginning and end of each game.
- Please keep playing area and sidelines clean, making sure everything is safe before play.

* If there are any issues at any time, please go to the scorer's table to call for Tournament Director, Drew Wendol for assistance. Remember we are all here to provide the children a fun lacrosse experience. Thanks for participating!
