## 2017-2018 SEASON TRAVEL TEAM TRYOUTS ANNOUNCED

Tryout Registration and more information at [MWSOCCER.COM](http://MWSOCCER.COM)

Monroe-Woodbury United Soccer Club (MWUSC) is holding our annual Travel Soccer Tryouts for the Fall, 2017/Spring, 2018 season. MWUSC is one of the largest travel soccer programs in Southern NY offering access to top-level training and premier league and tournament play. We are looking for committed players to grow our Travel and Premier Program. With over 1,500 players, MWUSC provides a soccer experience for players of all levels including our Premier Level Force FC programs.

MWUSC Travel teams play in Northern Counties Soccer Association (NJ) and practice 2x per week. Games are typically within a one-hour travel distance and teams can participate in local tournaments during the year.

Force FC is the premier level soccer program within MWUSC for soccer-focused players & parents. Teams participate in higher level leagues & regional tournaments which requires more travel and dedication. This includes EDP 1st or 2nd division leagues, WAGS, FC Delco & FC Stars Tournaments. Teams practice 2x/3x per week with weekend games and participation in the NYS Cup.

We understand that tryouts are an anxious time for a player (and parent) and we therefore try to create an environment that puts players at ease by using simple to understand drills in which the players are evaluated. Players will go through a warm up with ball in which their fundamental technical ability will be evaluated and will play small sided scrimmages in which the implementation of their skills are evaluated along with their understanding of the game and their decision making.
