COMMENTS OF THE RULES:

These rules are intended to create a balance of play; to create an atmosphere of sportsmanship and fair play; and to emphasize cleverness and skill without limiting freedom of individuals or team play. It is important to know the intent and purpose of a rule so that it may be intelligently applied in each play situation. A player or team should not be permitted an advantage which is not intended by a rule. Play will not be permitted to develop which may lead to placing a player at a disadvantage not intended by a rule.
