

WINTER LEAGUE

[REGISTER HERE](#)

Where: Hudson Valley Sportsdome, Milton
(www.hudsonvalleysportsdome.com)

When: Thursdays. January 3 through February 28 Players will have one game per night. Game times: (6-7PM and 7-8PM)

NEW: The first night will be a practice with your team. The other 8 dates will be games followed by a playoff!

Who: *We are going to **attempt** 3 divisions: Grades 7-8 (from 6-7PM); Grades 9-10 (games will vary: 6-7PM and 7-8PM); Grades 11-12 (7-8PM)*

There are **NO MAKE-UPS** due to weather. **NO REFUNDS** in cases of weather cancellation.

No special requests to be on teams with friends. We will work to have at least 2 players from the same high school on a team for carpooling purposes though.

Cost: \$130 + \$5 Active Registration fee*. *If you are an active member this fee is waived I believe.

Coaches: A coach from each school **must** be available to coach a team, if you send **5 or more players**. If you have 12+ players, it is required there be 2 coaches from your program (or one coach for 2 teams).

Players who have never played in winter league before, will receive a pinnie; players who want an additional pinnie and received one in past years, can purchase for \$15 extra.

Players will register as individuals and be placed on a team with players from other schools (*not their HS team*). If you are a goalie, please

indicate if you are available for both game times. If there are not enough goalies, we will give the goalies an opportunity to play during both game times each night.

The lineup will be a 6 v 6 format (5 field players plus a goalie). When a goalie is unavailable, a 6th field player will be used. Indoor rules will apply for safe play.

REGISTRATION: All players must register ONLINE this year. Players: YOU MUST REGISTER ONLINE at

<http://beyondsticks.com/hudsonvalleyleague/>

Normal registration will end on November 18th. Players may register with a \$15 late fee until December 10th.

Coaches: Please email me a list of players you anticipate registering by 10/20/18 with ages and grades so I can plan on giving space back to the dome. Please call/text me if you have any questions at 703-989-7398. I have three little kids, so texting is usually better!

I am excited to help make another year of winter league a reality!

Sincerely,

Chrissy Summers
