**PLAYER ELIGIBILITY:** A player's age as of May 1<sup>st</sup> of the tournament year. Players may play up.

**FIELD DIMENSIONS:** The following field dimensions will be used:

**10U Division: 46/60**

**11U & 12U Divisions: 50/70**

**13U & 14U Divisions: 60/90**

**PRE-GAME WARM UP:** Pre-Game warm-up may take place if appropriate time exists between games.

All teams need to be ready to play at least 15 minutes before their scheduled start times- games may begin earlier than scheduled if the previous game ends early.

## PLAYING RULES:

**INDOOR RULES:** **A-** Any batted ball that strikes the ceiling in fair territory will be considered in play and may be played as is consistent with an outdoor game. Any batted ball that strikes the ceiling in foul territory will be considered a dead ball and may be played as is consistent with an outdoor game. A batted ball hit off the netting behind the batter will be considered a dead ball.

**B-** All batters will start with a 1-1 count.

**C-** A ball that is reachable or bounces off the bleachers or net is playable. In the case of all others, the player must raise his hands immediately. The umpire may invoke ground rule play.

**D-** Home Run Ruling: Over the half field nets or if the ball hits above the orange wall in bounds.

**HOME TEAM:** Home team is determined by the second position listed on the schedule.

## **GAME LENGTH:**

**INNINGS-** All games will run a maximum of 6 innings.

**TIME LIMITS-** No new inning will start after one hour twenty minutes. **One hour twenty-five minutes is the drop-dead time.** At that time the score/inning will revert to the last completed inning, unless the home team has tied or is ahead in the game; if the home team has tied or is ahead in the game, that score will stand.

\*Stalling will not be tolerated and may result in the game being forfeited; **Umpire judgment is final.**

**MERCY RULES-** Games will be called for Mercy Rulings after the specific number of complete innings, providing the home team has the certain run lead. After the specific number of complete innings, the game is official.

**a-** 15 Run lead after 3 complete innings. (The home team does not bat if leading)

**b-** 12 Run lead after 4 complete innings. (The home team does not bat if leading)

**c-** 8 Run lead after 5 complete innings. (The home team does not bat if leading)

**PITCHER WARM UP:** 5 warm up pitches will be allowed in the 1<sup>st</sup> inning and 3 warm up pitches for all other innings.

**VISITS TO MOUND:** One visit per inning, per pitcher. Second visit, pitcher must leave.

**COURTESY RUNNER:** Teams will have the option to use a Courtesy runner for the pitcher and catcher at any time during an inning, but must follow all options and rules regarding Courtesy Runners listed below.

**A- Option 1:** If a team opts to bat their entire line up, they must use the last official batter as the Courtesy Runner. If both pitcher and catcher reach bases in the same inning, teams may use a second Courtesy Runner, which would be the second to last batted out.

**B- Option 2:** If a team opts to bat nine (9) or ten (10) batters, the courtesy runner must be someone not in the current batting order of the game. (Example: Starter who is now on the bench or player who just arrives or someone who has not been in the game at all.) The exception to this rule is if there are no additional players on the bench; refer back to Option 1 for Courtesy Runners.

**LINE-UP/SUBSTITUTION:** A team may bat either 9 or 10 batters (with an EH), or their entire lineup. If a team bats their entire lineup, they have the option of free substitution throughout the game.

**INTENTIONAL WALK:** The Head Coach or Catcher of the defensive team will announce to the Home Plate Umpire that they would like to **intentionally** walk a batter. No pitches are thrown, and the batter will be awarded first base.

**RE-ENTRY:** In all age divisions, starters may re-enter once but must re-enter in their original position in the batting order. Non-starters are not allowed to re-enter. When a starter re-enters, the player in the starter's batting order must be taken out of the game and is ineligible to re-enter for the remainder of the game.

**Dropped 3<sup>rd</sup> Strike:** In effect - Batter may attempt to go to first

**CHEAP-O RUN RULE:** If a base runner is on third base he cannot advance home to score if a dead ball is called (only if on a pitch the ball gets caught in the backstop). Including bases loaded.

**STEALING/LEADING RULE:** 10U Division: No leading or stealing is allowed.  
11U, 12U, 13U, 14U Divisions: Free leading and stealing is allowed.

**Bunt/Slash or Flash Bunting is not allowed**

**BAT RESTRICTIONS:** Wood bat only (Including bamboo). No COMPOSITE. No ALLOY.

**BALK Rule:** There are NO warnings on balks

**TIE GAMES:** Pool round games that are tied after 6 innings will be recorded as a tie game. Only Championship Games will be played to conclusion using a Modified California Tie-Breaker:

\*Each half inning will start with the bases loaded and two outs. Each team will continue the batting order from the previous inning with the three previous batters occupying the bases, with the last batter occupying 1<sup>st</sup> base, the second batter occupying 2<sup>nd</sup> base, and the third batter occupying 3<sup>rd</sup> base.

**RANKINGS & TIE BREAKERS FOR FINAL SEEDINGS:** To determine the spots for the final seeding, the following format will be used:

- a. Total Points (Win = 7 points, Tie{other than 0-0} = 2 Points, Tie {0-0} = 1 Point, Loss = 0 Points)
- b. Win Record
- c. Loss Record
- d. Ties
- e. Head to Head\*
- f. Runs Allowed
- g. Runs Scored
- h. Coin Flip

(If any team should forfeit any game, the winning team will record a 7-0 win. The losing team will record a 0-7 loss with no exception to this calculation).

*\*For seeded games involving a multiway tie: once a seed is determined, the seeding reverts back to A-H.*

**COMMENTS OF THE RULES:** These rules are intended to create a balance of play; to create an atmosphere of sportsmanship and fair play; and to emphasize cleverness and skill without limiting freedom of individuals or team play. It is important to know the intent and purpose of a rule so that it may be intelligently applied in each play situation. A player or team should not be permitted an advantage which is not intended by a rule. Play will not be permitted to develop which may lead to placing a player at a disadvantage not intended by a rule.
